«BEST FIGHT» | UZ 2026

Such a tournament will become an important platform for meetings of delegations from different countries, where they will be able to exchange experiences in the field of sports, cultural traditions and modern achievements.

«BEST FIGHT» | UZ 2026

We are proud that we can present the national heritage of our countries, which includes not only unique traditions, but also the achievements of science and medicine.

The tournament will actively introduce new technologies and digital systems, which will improve the quality of cultural events and expand their audience.
